EXECUTIVE SUMMARY

Deliverable D6.1 CMMI - MaRITeC-X reports the online presence of the CMMI - MaRITeC-X project website as it is available online at www.maritec-x.eu signalling the transition from Teaming Phase 1 to Teaming Phase 2. All necessary updates for the transition have been implemented. The website will continue to accompany the project's online presence and publish project related information.

Most importantly D6.1 reports that the CMMI - MaRITeC-X consortium has secured and registered with the national authority on Cyprus (University of Cyprus) the domain

- <http://www.cmmi.blue> (main website)

CMMI is expected to host independently and develop its own website and online corporate identity at the end of PM3 (December 2019).
